Sundry matters. The attitude of some of the members does not seem to be reasonable & is wanting also in decorum. Nor is the mental attitude of the Chairman free from dyspepsia. If both sides had shown some amount of tolerance & refreshment instead of letting light on prestige & wounded feelings, the present impasse may not have arisen. A lawyer's notice has been issued to the Chairman & he has also been required to convene a special meeting so that a no-confidence motion may be moved against him. When feelings are running so high, any attempt to keep them together may not prove successful. If either of them is removed, the other will nurse a grievance. Any appointment of the committee is also likely to be resented & it may develop an unpleasant reaction in the non-officials. In these circumstances, the best course is to appoint a new committee (without including either the members or the Chairman who have been wrangling) with effect from 1st Nov 1940, on the lines of the

Committee of Management. 1

The Committee of Management of the S.L.N Charities, Bangalore, was reconstituted for a period of three years from about the 18th November 1937 and its present term will expire in November 1940. Mr B. G. Appadorai Mudaliar, one of the Committee members was subsequently replaced by Mr B. Puttaiya and the Chairman Mr C. S. Kuppuswamy Iyengar was replaced by Mr C. Machia from about the end of October 1939. Dr Rayan was recently appointed as a member of the Committee in place of Mr B. Puttaiya who resigned his membership in October 1939.

J

Complaint by Chairman with Committee (Mr C. Machia)

(2) In his letter dated 16th July 1940 to the Deputy Commissioner, Bangalore District the Chairman Mr C. Machia has invited notice to the irresponsible and obstructive ways in which the Committee of Management unduly influenced and dominated by Mr N Bala Krishniah, supported by Mr Parthasarathy Mr Ramachandra Rao Scindhia and Jyotinagar Vidya members have been conducting the business of the Charities, without regard for Government Proceedings, precedent and economic management of the Charities, along with over bearing conduct towards the Chairman. The Chairman has also sent a copy of the notice issued to him by Mr

Serial No.

Munishwamaiya, Advocate, on behalf of Messrs. Narayappa, Munisharmy Setty, Nagadosappa, Ramachandra Pelundia and Balakrishnaiya, and of the Reply sent to the Advocate, regarding the mismanagement of the affairs of the Charities. 2

(3) Messrs. Narayappa, Balakrishnaiya and two others have also complained that the Chairman has been acting in contravention of the Rules framed by Government and that they have given specific instances of such unauthorised acts. They have requested that an independent enquiry into these complaints, may be held before final orders are passed by the Government. Counter-Complaints by Members of the Managing Committee part II H & V.

(4) The various allegations made by the Chairman and the members of the Committee, against each other, are detailed hereunder, and noted upon with reference to the Rules for the Management of the Charities, relating to the same. A Allegations.

(1) Appointment of Chairman of Sub-Committee by the Committee of Management. Allegation No (1)

The members of the Managing Committee hold the view that the Chairman of each Sub-Committee may be appointed by the Managing Committee itself and not

Serial No.

by the Sub-Committees concerned. The Chairman holds the opposite view that he (Chairman of Sub-Committees) should be appointed by the respective Sub-Committees, according to precedent and fitness of things, on the analogy that the Hostel Committee attached to the Charities, elects its own Chairman, under Rule 2 of the Rules issued with Govt order dated 26th August 1939.

V

Regarding this point, reference is invited to Rule 2 of the Rules relating to Committee of Management, issued with Govt order dated 10th March 1937, under this Rule, the Committee of Management may appoint, once a year, Sub-Committees, with powers to Co-opt, non-members for transacting the business entrusted to them for the following purposes:—

H

(a) Hostel Management (Hostel Committee)
(b) Literary Education (Education ")
(c) Industrial Education (Industrial ")
(d) Building (Building ")
and (e) Court Work. (Court ")

Separate Revised Rules for the Management of the Hostel attached to the S.L.N. Charities have been approved and issued with Govt. order dated 26th August 1939. No such Rules are issued with regard to the other (items b, c, d, and e, referred to above) Sub-Committees. The Hostel Committee is permitted to elect its own Chairman. But in the absence of definite rules governing the Education and other Sub-Committee

V

NOTE—Contn Sheet.

Serial No.

the Words " may appoint, once a year, Sub Committees " occurring in Rule 2 of the Rules of March 1935, may be taken to mean appointment of not only the members of the respective Sub-Committees, but also their Chairmen, as contended by the Complaining Members of the Committee. On the other hand, the contention of the Chairman (Seth C. Macker), that the Chairmen of these Sub. Committees may be appointed by themselves, on the analogy of the Hostel Committee electing its own Chairman, seems also to be tenable. But of these two divergent views, the view held by the Committee Members seems to be the more correct view. In any case, the Chairman, it appears, can not compel the Committee Members to agree with him in his view on the point, nor has he any valid reasons to complain against them in the way he has done now. If he felt a doubt, he should have sought orders of Government on the point.

H

The appointment of Chairmen of the Sub. Committees of the Committee of Management was approved at the meeting of the Management Committee on 3-1-40 & the Chairman does not seem to have dissented nor is it recorded that any one did so. Moreover in some previous years, the Sub Committee Members appointed their Chairmen, it cannot be stated that it is wrong or improper for the Committee of Management to exercise this privilege especially when there is no stipulation to the contrary in the rules.

The Chairman has explained his views.

(ii) Granting increments to the Staff of Teachers of the High School attached to the Chairs.

Reference to (ii)

The Committee Members have stated that in the best interests (financial) of the Institution and in view of the Government order dated 10th October 1939 not to Commit

5

Serial No.

the Institution to increase expenditure without corresponding increase in its income, they have decided to postpone the proposed grant and that, in spite of this decision, the Chairman has ~~post~~ proposed the grant of increments to the Staff. The Committee members can not have, it seems, a grievance as it is open to the Chairman to express her views as he is the chief Executive officer of the Institution.

But provision for granting increments to the Staff of the School is an item to be included in the Budget Estimates of the Activities which are to be prepared annually by the Committee and submitted for approval of Government through the Mudaliyar Commissioner under Rule 2 of the Rules of March 1937. In submitting the proposals for such a grant, Contrary to the Resolution of the Committee, the Chairman seems to have acted in Contravention of Rule 3 of the Rules referred to above. These proposals submitted by the Chairman, through the proper channel, have not been sanctioned and the Mudaliyar Commissioner has been requested to submit them separately after considering the merits of each case.

H

The chairman has expressed his views.

Allegation (iii)

Dismissal of a Teacher (Nadarajah Sastry) of the School by the Chairman.

The members of the Committee have stated that

NOTE—Contn Sheet

Serial No.

the chairman has dismissed Narayana Sastry, Kaumudee pandit of the Middle School, attached to the Charities, Contrary to their expressed wishes and also to the Rules. The chairman has pointed out that neither Education Sub-Committee nor the Managing Committee can deal with such matters which are vested in him, who is responsible for the efficient discharge of duties (vide Rule 1 of the Rules under powers and duties of the chairman of the Committee of Management).

H

So far as the contention of the chairman is concerned, it does not seem to be tenable under the Rules. The Rule no 1 mentioned by him relates to the power of the chairman, for arranging the efficient discharge of work by the Staff of the Office and not of the School attached to the Institution. Further under Rule 12 of the said Rules, the chairman has appoint the Staff of both the Office and the School, with the approval of the Committee. The term "power to appoint" includes "power to suspend or dismiss" the Official concerned. In their view, the contention of the Committee members that the dismissal of the teacher Narayana Sastry had to be referred with their approval seems to be tenable

F

Serial No.

Re general contention of the Chairman that in view of his office, he can take disciplinary action & that it is no business of the Committee to question him or to interfere with him cannot be accepted. Though he could take disciplinary action, as the executive head, he has to bring it to the notice of the Committee at the next meeting. & confirmation & approval. In this particular case, action may be confirmed much, if the Committee and confirmation thinks to take such action as he deemed fit.

But a perusal of the proceedings of the Meeting of the Committee of Management, held on the 26th May, 1946 (Resolution 1511) thereof) indicates that the Chairman (Mr C. Harkins) was allowed, as resolved, "to deal with the case of Narayana Reddy in such manner as he would find it fit," and it was only by virtue of the discretion vested in him by the Resolution (the correctness and propriety of which are questioned by Mr Balakrishnadas Chairman of the Education Sub-Committee) that the Chairman passed the order of dismissal of the said teacher.

Allegation (iv)

The Chairman has failed to call for the Special Meeting proposed by certain members for considering the charge-sheet framed by him against them, in spite of their repeated requests.

The Chairman has not stated why he has not called for the Special Meeting which he was bound to call, under Rule 2 of the Rules under "Meetings". This omission on the part of the Chairman is an illegality, so far as the Rules are concerned. This would have led to unpleasant discussion

F

Allegation (v)

The Chairman has been sending up communications to Government behind the back of the Committee members in all important matters e.g. removal of certain Committee

NOTE—Contn. Sheet.

Serial No.

members, increments to teaching staff etc.

Rule 9 of the Rules of March 1937 requires that "All important correspondence with Government shall be placed before the Committee". It is not quite clear whether this means that each correspondence should be placed before the Committee before submission to Government or after such submission. A liberal interpretation of the Rule seems to indicate that it should be placed before its submission to Govt.

But so far as the particular instances brought to notice are concerned — removal of certain committee members, increment to staff of the School, the procedure adopted by the chairman can not be said to be irregular, as he could not certainly tell the members, that he was writing against (some of) them to Government.

Under the communication is a confidential note containing expression of personal opinion or criticism on the action of the Committee or management, which it is not in the interest of the institution to divulge. Hence it was not placed before the Committee, as required

Refusal of the chairman to allow the Committee members to have access to the records and accounts of the charities.

Allegation (vi)

The chairman has not stated anything on this point. If he has refused as alleged, it is against Rule 9 of the above Rules and his act amounts to an irregularity.

Serial No.

(5) In regard to the Notice issued by the Advocate Mr. Nambiyar to the Chairman of the Committee (Mr. E. Mohideen) threatening to take legal action against him if he should fail to hold the Special Meeting asked for by certain members of the Committee, and to act in the manner stipulated by the Rule. With regard to the matter mentioned in the Notice it is submitted that the S.L.M. Charities have been taken over under Govt. Manage ment from the year 1936 and a Scheme has been framed for their management. As such the Institution is a Muzrai one and Government are the chief Controlling authority in respect of all the affairs of the Institution (Section 3 of the Act of 1927) and this is not a matter which can be taken for a decision, before any Civil Court. Section 40 A of the Act is not applicable in this case, and Suits or proceedings in such cases are barred under Section 40 B. of the Act. In this view, the threatening act by the Legal practitioner to the Chairman amounts to intimidation.

(6) There are two queries made by the Second Member of Council, on the D.O letter dated 16. 7. 1943 from the Chairman to the S.L.M. Charities Committee to the Deputy Commissioner of the Ramnad Di-

point (i) The Sub-Committees were constituted by the Committee of Management in exercise of the powers conferred on it by Rule 2 of the Rules governing Committees of Management of the Charities. The Sub-Committees constituted are the Hostel Committee, the Education Committee, the Industrial Committee and the Buildings Committee. The names of members ~~elected~~ appointed by the Committee of Management for each of these four Sub-Committees are furnished in the Statement sent by the Chairman and perhaps below.

point (ii). From the copy of the proceedings of the Meeting of the Committee of Management held on 26th May 1946, it is seen that three extra Subjects were discussed in addition to the one relating to the dismissal of Mr. Narayana Reddy, teacher of the Middle School, attached to the Charities, and no objection appears to have been taken at the meeting

(Vide items (i), (ii), (iii), (iv) and (v) of Resolution 15 of the Resolutions passed at that Meeting) The Chairman has stated that the subjects referred to in this Resolution have discussed and resolved upon, as those not specifically mentioned in the Agenda for the Meeting but as those falling under the comprehensive clause "Any other Subjects" of the Agenda. A perusal of the Proceedings of the 26th May 1940, unlike the Proceedings of other Meetings of the Committee, does not indicate that these subjects were discussed under "Any other Subjects". It is however clear that for other subjects were discussed which were not specifically mentioned in agenda & that the Committee raised no objection

SIR,

Committee of Management of the S.I.N. Charities,

B a n g a l o r e.

Adverting to your letter No.748/Muz.85-37-4 dated 18th November 1937 conveying the approval of Government to the reconstitution of the above Committee for a period of 3 years and your subsequent letter No.919/Muz.75-39-12 dated 28th October 1939 regarding the appointment of Mr. C.Machia, as Chairman and Dr. M. Royan, as a Member of the Committee in the vacancies then existing, I have the honour to forward herewith a copy of D.O. letter No.C3.982/39-40 dated 23rd July 1940 with its six enclosures received from the Deputy Commissioner, Bangalore District, recommending in the circumstances explained in detail, the immediate supersession of the present Committee of Management, the period of which in the ordinary course is due to expire in November 1940.

2) I may mention that this is not the first time that some of the members of the Committee have behaved in this manner. I refer to your D.O. letter No.822/Muz.75-39-8 dated 11th October 1939 where it was suggested that the Committee may be superseded and proposals submitted for its reconstitution. I thought that they may be given another chance. Apparently, they are incorrigible and Mr. Machia tells me it is not possible to carry on the work smoothly as long as these members continue on the Committee. I consider it necessary in the interests of the Institution that the old Committee should be superseded and reconstituted with the

TO THE DEWAN OF MYSORE

GENERAL SECRETARY.
19 AUG. 1940

Sir,

We, the undersigned members of the Managing Committee of the S.L.N. Charities, Bangalore, beg your kind permission to bring the following to your notice for such necessary action as is called for in the circumstances stated hereunder:-

1. The Chairman of the Committee has been acting in contravention of the rules framed by Government. Under the scheme of management, he "will exercise the executive authority of the Committee" and, under the rules framed thereunder, all matters shall be decided by a majority of votes. But, the Chairman has no respect for the decision of the majority and has been acting independently of the Committee. The proposals in connection with the framing of the Budget for 1940-41 is a recent instance of the kind. In view of the Government Order not to commit the institution to increased permanent expenditure by granting increment to staff without the corresponding increase in the income and in view of the fall in the income of the institution for 1940-41 against that of 1939-40, the Committee decided to postpone the granting of increments in the best financial interest of the institution; but the Chairman has recommended the grant of increment from out of the "Reserve", when, actually, it has not been

been possible to set apart any 'Reserve' for the past two years and more. When the Rules clearly contemplate the setting apart of a Reserve of 10% of the income, it seems to have been interpreted as 10% out of the 10% of the Reserve. This would affect the finances of the institution and ultimately result in deficit budgets shortly, as the financial commitments will be too heavy as against the estimated income.

2. He has also arrogated to himself the powers of the Committee. The instance of the dismissal of a teacher is an instance in point. While the Chairman has no powers of dismissal under the Rules, he did so though the charges against the teacher are not so severe as to call for such exemplary punishment. The Committee pointed out the mistake to the Chairman and even allowed him to reconsider his order as he agreed that it was a mistake. But, he is still persisting in punishing the teacher more severely than what punishment can be awarded in the Department for such mistakes.

3. He has accused some members of the Committee for the very interest they were taking in the institution and has framed a "Charge-sheet", as it may be called, against them, though they were all along acting in conformity with the Rules framed by Government. A copy of the "Charge-Sheet" is enclosed for ready reference. A special Meeting of the Committee was proposed to be convened to consider the "Charge-Sheet" and the Chairman agreed to do so; but, inspite of repeated requests, he has not cared to do so and allow the members concerned to get themselves

acquitted

acquitted of the various charges.

4. The Rules contemplate the setting up of sub-committees for the conduct of day to day administration of the various branches of the - charities; but,the Chairman has scant courtesy to such committees and has been arrogating to himself all their functions and powers. This has irritated the members and has even lead to the resignation of a respectable member not only from the Chairmanship of such a sub-committee but also from the membership of the Managing Committee.

5. Though the Rules contemplate that all important communications to Government shall be - placed before the Committee, he has not been doing so and has been sending up communications to Government behind the back of the Committee in all important matters. The rules again contemplate that - every member shall be entitledto look into the records and accounts, but this is being refused to the members even though asked for and the members intimated that they are not entitled to do so individually. Even certain information called for as to simple things,such as,the procedure of correspondence of the charities, are being refused to the members.

6. There are also certain interpolations - added to the resolutions passed at previous meetings, which give rise to severe doubts as to the "bona fides" of the action of the Chairman.

7. We hear that some communication has been sent by the Chairman to Government to remove some of the

the members and reconstitute the same, without consulting the committee as required by rules in all such matters.

8. In view of the circumstances stated above, we earnestly request Government to be - pleased to set up an <u>independent enquiry</u> on the various allegations made by the Chairman, and thus afford an opportunity to the members to explain themselves, before taking any action on his proposals; as otherwise, the respectability of the members concerned will be at stake for the <u>bona fide</u> interest they have been evincing in the interest of the charities. Any action otherwise taken will tantamount to <u>exparte</u> order and consequent miscarriage of - justice, for the redress of which the members will be forced to take legal action against the Chairman.

Begging to be excused for intrusion upon your Honour's most valuable time and awaiting endorsement granting our request,

We beg to remain,

Sir,

I am instructed by our clients (1) H.Narayappa, (2) Yajaman Muniswamy Chetty, (3) P.Nagadasappa, (4) M.Ramachandra Rao Sindia and (5) N.Balakrishnaiya, all members of the Committee of Management of the above said Charities to inform you which we hereby do as follows:-

In your Memo No. 563-570 dated 10-4-1940 you have made certai allegations against certain members of the Managing Committee individually and collectively and stated that it would be desirabl to settle in the Committee itself the various alleged irregularities committed by the concerned members. The question was discusse at the meeting of the Managing Committee held on 13-4-1940 when it was resolved that the subject should be discussed at a special meeting of the Committee. The special meeting, which was convened for 28-4-40 was postponed by you indefinitely without giving any reasons for the same. The contemplated special meeting has not bee convened so far in spite of requisitions both oral and written, nor any reasons assigned for the same.

You are hereby informed that this may be taken as last chance to call for a special meeting within five days of receipt of this notice and prove the charges made or withdraw the memo of allegations with due apologies.

In case this is not done within the specified time, please take notice that action will be taken in proper Court of Law since the remarks made against the members of the Committee are unwarrant-ted and highly defamatory which lower the dignity and respect of the members.

Under the Rules for the management o the Charities, the members are entitled to look to all correspond-ence and records of the Charities. In spite of this, you have refused one of the members of the Committee to do so in connection with the above, even though a written requisition was made in this behalf.

Please take notice that unless you immediately allow the members to exercise their rights and withdraw the said communication and arrange the same being placed before the Committee as required by Rules, they will have to take such legal action as they may be advised to assert their rights at your risk and costs.

Most Honoured Sir,

With the deepest regret we beg to bring the following grievances IN RE: the Management of the S.L.N. Charities, Bangalore City, for favour of your most considerate and immediate consideration - and speedy disposal:--

1. We beg to state that a great many amongst us were pupils in the S.L.N. Middle School, having undergone our educational and Technical courses therein under the able tutorship of the Teachers thereof, particularly of Messrs. B. Krishnamurthy Rao and C.Narayana Sastry, the former of the Primary School Section and the latter of the Middle School Section. These two teachers, it can well be said, were appointed by no less a personage than the Donor of the Charities, viz., the late Janopakari Doddanna Chetty, himself, and have been working in the Institution for nearly 30 and 20 years respectively, honestly, strenuously and with inimitable diligence & devotion to work, with the result that they both are by far the most popular teachers of the Institution, to whom much of the progress

progress of the School is duo.

2. The present Chairman of the S. L. N. Charities is Mr. C. Machia, aged about 70 years now, and, weighed by advanced oldage as he is now, and particularly as the said Charities are year after year growing with more and graver responsibility of work, he is already showing symptoms of his incapacity and indisposition to carry on the work of the Charities so as to redound to the greatest advantage of the same by working with a spirit of co-operation with the Members of the Managing Committee whereof he is the Chairman. Perhaps due to his oldage, he has become - too headstrong and obstinate, to the extent of ordering things to be carried out without the slightest vestige (at least for the sake of courtesy and ordinary rules of decorum) of a consultation with the Managing - Committee, and on certain occasions even in the face of - positive opposition at the hands of the said Committee by overruling such opposition. The Managing Committee Members being all respectable men, feel that the greatest possible indignity is done to them by the wilful acts of the arbitrary Chairman.

3. Acting, perhaps, upon some adverse reports of interested parties either from among the Staff of the Institution or in other circles, the Chairman has, recently, chosen to remove Messrs. B. Krishnamurthy Rao and C.Narayana Sastry (referred to in para 1 supra) from the Service of the Institution, for no serious fault of theirs, and this arbitrary act of the Chairman is one which has been done without any the least consultation with the Committee which, it can be well said, is not an irresponsible body.

4. As

4. As regards how these two teachers stand removed from the service of the Institution, much light is not cast thereon. From the antecedent circumstances and history sheets of the poor teachers - under advertence, we can unanimously say that these were appointed by the Donor of the Charities himself long, long ago, and they have carried on their work to the supreme satisfaction at once of the Authorities concerned and of the public at large. As such, they have got a better claim to get a very fair and kind treatment at the hands of the Authorities, particularly in matters of their service and its termination. Before they were removed, certainly the opinion of the Committee should have been taken. None of these formalities having been undergone, much insult and irreparable injury has been done to the poor victims. Logically also, one thing is certain, viz., either the teachers have committed unpardonable crimes to deserve this severe punishment, or the Chairman himself, in his dotage, is too unable and indifferent towards holding a proper enquiry and do things in consultation with the responsible body of the Managing Committee, or in other respects also, such as by taking explanations from the said victims in order to sift out the truth. If, in the present - instances, the commissions and omissions on the part of the Chairman are left unrectified or unremedied, certainly still more woeful tales are awaiting the other subordinates of the Institution, not long from now!

5. Something about the Chairman's competence to shoulder the responsibilities of the works pertaining to the Institution, may not be out of place. No doubt he

he was once a very big Officer of the Government and did acquit himself well. But now, with respect to the work of the Charities, he has been doing things in a very arbitrary menner, as though he does not want to increase the burden of duties in order to do them properly. His age is a bar for him to discharge the burden fairly and properly. It is only a few that remain unaffected by advanced age, but this gentleman seems to have been very seriously and adversely affected by his age.

We all, therefore, most respectfully pray that a fair chance be given to the said victims before they are condemned finally, so that they may vindicate their respective positions before a judging Body, such as the Managing Committee in the present instance, with due regard to their service and the honest work turned out by them so long.

We further pray that, in the best interests of the said Charities, a more competent personage, with a lesser age burden, be appointed in the place of Mr. C. Machia, as the Chairman of the Managing Committee, so that official atrocities (such as have now been done) may no longer be continued.

For which act of kindness and Grace, we all shall ever pray for your long life, sound health and perpetual prosperity.

In this connection I am to inform you that my clients undere stand that you have made without consulting the Committee a reference to the Muzrai Department for the removal of some of them fron the Committee of Management. Under the Rules for the Management of the Charities, the members are entitled to look to all correspondence and records of the Charities. In spite of this, you have refused one of the members of the Committee to do so in connection with the above, even though a written requisition was made in this behalf.

Please take notice that unless you immediately allow the members to exercise their rights and withdraw the said communication and arrange the same being placed before the Committee as required by Rules, they will have to take such legal action as they may be advised to assert their rights at your risk and costs.

In reply thereto I wish to state that what has been stated in my Memo No.563-70 dated 10-4-40 is all true and is borne out by facts. The said Memo was prepared with a view to rectify certain irregularities which had crept into the proceedings of the Committee of Management. Respected Sir,

We, the members of the Jyothinagara Vysya Community beg, on behalf of the community, to bring the following few lines re. the management of the S.L.N.Charities, - Bangalore, to your gracious consideration with the full hope that the same will receive your kind and sympathetic consideration.

As you are aware of Sir, the S.L.N.Charities, one of the most important and bigest private benefactions in the State, were founded by the late Janopakari Mr.Doddanna Setty, a leading gentleman of our community, for the imparting of litarary and industrial Education to the students of all the communities generally and more particularly to the members of our backward community, for the benefit of whom (latter) he has also started a free hostel providing for their free boarding, lodging, supply of books, clothing and other nemessary conveniences. The community owes a great debt of gratitude to the magnanimous munificence but for which, we are sure, it would not have been possible for us to advance the little much that we have been able to do so far. With the special intention that the community may advance further and be able to stand on a par with any other progressive community, he created a Trust, giving the community an effective voice in the management of the Charities by selecting a majority of the trustees from among the members of the community itself. When the Charities came under Government management, Government have also generously recognised the claims of the community by allotting 4 seats on the committee of management. The members selected from among the community have, we are in a position to vouchsafe, all along been acting 'bonafide'

in the best interest of the Charities and evincing a keen desire for its varied improvements. The community in general have also been cooperating with and advising the members of our community whenever occasions arise in the management.

But it grieves us to bring to your kind notice that the present Chairman of the Charities- Mr.C.Machiah has been acting in an irrespossible way almost ever since the time he has been appointed as such some 10 months back. He has no respect either for the rules framed by Government for the management of the Charities or for the members as individuals. He has been, we hear, trying to dictate to the committee and to impose his will on the members by his threatening attitude and by to himself all the powers and duties of the managing committee as well as of the Sub - Committees. Even though the rules stipulate that all matters shall be decided by a majority he seems to think that he is not bound by the decisions of the majority and trys to circumvent such decisions. He has little tolerance and even mere pointing out of his unauthorised and wrongful actions prejudices him against such persons. We believe that his age is also a great handicap and he is more forgetful and easily irritable. Tempermentally he does not seem to be - suited to be the Chairman of such a Charity. These drawbacks have had a very bad effect on his administration and almost all the members of the Committee have begun to dislike him for his attitude and actions of commission and commission which have been detremental to the interest of the Charities, and have even caused positive harm to some members of the staff.

He seems to have made some damaging allegations against most of the members of the Committee, including the

including the community members, for the very interest they have been evencing in the interest of the Institution and has not afforded them an opportunity to disprove them. Mr.Munisamy Setty is a life member and he has been persistantly asking for necessary action being taken against the Head Masters who have illegally appropriated some funds of the Charities; but the Chairman, with a view to shield the Head Masters, has been unnecessarily harrasing this member alleging that he has been unnecessarily interfering in the administration and that he is himself a defaulter to the Charities. The question whether he owes anything is itself still pending investigation, and the accounts asked for by the member have not been made available to him. There cannot be any objection to take any steps required to recover any amount from him if legally due to the Charities. Another member is accused for some hand slight errors as an Hon.Secretary of the Hostel for which he is not responsible at all. These allegations are all friviuous and the members are in a position to prove the same. Allegations are also made against The with other members of the committee a perusal of which betrays their friviolous nature and how baseless and incorrect they are. Aspersions cast against them are mischievous and unwarrented. With disgust as to the behaviour and actions of the Chairman, one of the responsible members had to resign from the committee. The financial policy adopted by the Chairman is also, we hear, detrimental to the best interest of the Institution.

We also hear that the Chairman has, behind the back of the Committee, recommended to Government the removal of the members on certain allegations and Government are taking action on his recommendation. This seems to us to be queer for no opportunity seems to have been afforded to the members to explain their position and show how hollow and baseless the allegations are and at the same time prove how the Chair-

Chairman has been actiing against the Rules framed by Government.

We, therefore, approach you Sir, to be pleased to set up an enquiry into the matter, before taking up an action against the members, as they are all respectable gentlemen working for the Institution without any selfish motives and as any action taken other-wise will cast a blur on them evefn though they are at no fault. The fair name of the Institution will also be stake.

Most Respected Sir,

The Committee of Management of the S. L. N. Charities of Bangalore City which was appointed in the year 1937 completes the period of 3 years for which it was appointed in November 1940, but according to the scheme prepared and sanctioned with the approval of the original Trustees, I being, one of the original Trustees hold the Office for life, and my tenure will not be affected by the expiry of the period. There has been some misunderstandings between the Chairman of the Committee and myself, due to my having taken objection to what appeared to be serious irregularities in the management, such as dismissal on his own authority of old servents of the Trust Board, upholding the irregular action of the Head Masters in retaining fees collected by unauthorizedly holding extra Middle classes and a general impatience of criticism and discourteous treatment during meetings and at other times. These statements will be easily testified to by the other members of the Committee. Due to these causes I understand that the present Chairman whose Office also expires in November next is anxious to have my membership terminated. This would be inconsistent with the scheme moreover it would be a great misfortune that I who took part along with the late Annapakari Podamma Setty in

P.T.O.

in establishing the Trust and worked for the same till now should be subjected to such treatment now, for no fault of mine. In this connection I may mention that the Late Janopakari Dodanna Setty took charge of me when I was five years old, educated me and trusted me with the management of the Temple and other properties in the C & M Station, took my help unstintedly in the management of the Institution and appointed me as a Trustee.

Every one associated with the Charities will bear testimony to the ungrudging help I have given in the beginning to maintain the charities themselves which were threatened with extinction due to the claims made by the Late Thimmaraya Setty and afterwards in brining the Charities to their present flourishing position. Though I could have moved the Court to act aside the Scheme introduced by Government and jeopardised the Charities, of my own accord I whole-h-artedly co-operated with Government and have worked it loyally.

I request therefore that in any re-constituted Committee which Government may have under consideration my position as Life Trustee Member may be left unaffected, and if any proposals have been made for any removal, they may not be given any consideration. Any action that may be taken on merely a one sided report will not be valid.

BANGALORE,

D. O. No. C3-982/39-40.
Ex 1

My dear Sir,

I herein enclose for your information a copy of D.O. letter No.36/39-40 dated 14th instant from Mr.C. Machaiya, Chairman of he Committee of Management, S.L.N. Charities, Bangalore, bringing to notice the most irresponsible and obstructive attitude of some of the members of the Committee and suggesting for reasons stated therein, the immediate supersession of the present Committee and its reconstitution with fresh set of members.

2. The Chairman thinks that in the circumstances explained in his letter, that it is impossible to carry on the administration of the Charities smoothly any longer with the existing members and concludes that the interests of the Charities would be best served by superseding the existing Committee.

3. Asked whether in view of the expiry of the term of the present Committee in November 1940, it is not possible for him to manage somehow till then, the Chairman states in his letter dated 20th July 1940 (copy enclosed) that the - majority of the members have formed themselves into a clique, and have been disregarding the Government, descipline and economic management of the Charities, not to speak of their insulting attitude towards the Chairman, and that it is found impossible to manage with them, even till the expiry of the term and reiterates his request to supersede the Committee immediately.

4. I may state in this connection, that a similar impasse had been created by these members last year about the month of August 1939, and proposals had also been called for by the General Secretary to Government in his D.O. letter No.822/Muz.75-39-8 dated 11th October 1939, addressed to you,

for

for the superession and reconstitution of the Committee with entirely fresh centers. The different sections are temporarily presided by the resignation tendered by Mr.Muppavarapu Syamier, the then Chairman. There appears to be a tendency on the part of these members to again create a similar deadlock in the management by their defiant attitude and disregard to the constituted authority.

5. I would, in these circumstances, strongly recommend in the best interests of the Institution, the immediate supersession of the Committee, pending its reconstitution from new.

Yours sincerely,

.O. No.36/40-41 dated 16-7-1940, from Mr.C.Machia, Chairman, Committee of Management, S.L.N. Charities, Bangalore, to the Deputy Commissioner, Bangalore District, Bangalore.

I regret to invite your notice to the irresponsible and obstructive way in which the Committee of Management, unduly influenced and dominated by Mr.N.Balakrishnaiya, supported by - Dr.P.Parthasarathy, Mr.M.Ramachandra Rao Scindia and Jyotinagara Vaisya members, has been conducting the business of the S.L.N. Charities without regard for Government Proceedings, precedent and economic management of the S.L.N.Charities along with overbearing conduct towards the Chairman.

In the meetings of the Committee of Management held on 7-1-1940 and 9-1-40 the members of the Education Sub Committee and other Sub Committees were proposed by Mr.Balakrishnaiya along with their Chairman. For the Education Sub Committee he proposed Mr. Y.Muniswamy Setty, Mr. Ramachandra Rao Scindia, who had -- absented himself from 17 consecutive meetings of the Education Sub Committee, the two Head Masters and an Educational Officer as - members with the remark that the Head Masters of the High School and Middle School and the Industrial Superintendent in the Industrial Sub Committee should be Secretaries without powers of voting I pointed out to him that it was not advisable to have Mr.Yajaman Muniswamy Setty as a member as he had two sons both of them -- unqualified and a son-in-law in the School Department and he was interfering with the discipline of the School, and to deprive the Head Masters of the power of voting was against precedent as they had hitherto been exercising their power of voting in the Hostel Committee and the Educational Sub Committee and the Head Master of the Middle School had been doing so in the Industrial Sub - Committee and to deny them the power of voting would deprive us of their responsible technical views. After this he proposed the name of Mr.Nagadasappa in place of Mr. Muniswamy Setty and the latter proposed Mr.Balakrishnaiya as a member and Chairman. My contention was over-ruled but I beg to opine that the appointment of Chairmen of Sub Committees by the Committee of Management is opposed to precedent and fitness of things and they have to be appointed by the respective Sub Committees as they comprised outside members with technical knowledge and whose presence was

was necessary before a Chairman was appointed and business conducted. It may be pointed out that the Hostel Sub Committee appointed by Government elects its own Chairman.

I beg to invite your notice to the letter of Mr. Balakrishnaiya dated 5-7-40 (Enc.IV) in which reckless remarks are made by him with a view to discredit the Chairman and even question the record of minutes made in the Chairman's own hand.

On 3-6-40 I made report No.712 to Mr.A.Khan about the reserve fund and increase of pay to teachers. As it was partially contrary to the resolution of the Committee of - Management, I gave intimation to the Committee as per Government Proceedings no.1255, Rule 9, under ' Committee of Management'. (a) This intimation was given in the meeting held on 8-6-40 and Mr.Balakrishnaiya proposed in the meeting held on 13-7-40 that it should be deleted. I told him and the members present in Kannada that it was not a resolution but intimation given by me as stated above and if it is deleted there would not be any record of my having done so. He would not have it. On putting this to the vote, messrs.Balakrishnaiya, Ramachandra Rao Scindia, Naranappa and Nagadasappa were in favour of deleting it. Mr.Tandoni Rao and myself were for retaining it (only six were present then). This is a serious matter as the members believe that it is a false record. However, Mr.Balakrishnaiya refers to this report in his letter dated 5-7-40 and it would be interesting to know how he came to know of it.

The remaining items in his letter were not taken up in the meeting as Mr.Balakrishnaiya left it saying he had other work but they deserve to be discussed as they betray the questionable method adopted by Mr.Balakrishnaiya counting upon the support of the most of the members of the Committee of - management.

(b) That I ought to have consulted the Committee of - Management before making report No.712 dated 3-6-40. This is opposed to Government Proceedings No.1255, Rule 9, under 'Committee of Management' which lays down "All important -

important correspondence with the Government shall be placed before the Committee of Management".

(c) That no mention of Mr.Narayana Sastry's dismissal had been made in the agenda. This also is wrong because he forgets that at the end of every agenda "Any other subject" is noted to provide for the discussion of any other subjects not included in the agenda and - according to this, three other subjects were also discussed and decided in the meeting in question.

(d) That Mr.Narayana Sastry's dismissal ought not to have been taken up as it was decided that it should be discussed in a special meeting. I called for a special meeting on 28-4-40 but it could not be held as some - members expressed their inability to be present. After this Dr. Koyan interceded and wanted the subjects referred to in my Memo to be (not enclosed) amicably settled (Enc.III Accordingly Dr.Koyan, Dr.Parthasarathy, Messrs.Ramachandra Rao Scindia and Balakrishnaiya met at my residence. Dr. Parthasarathy was the main speaker and in faithfully voicing the plausible arguments of Mr.Balakrishnaiya stated that I had no powers of discipline and that Chairmen of Sub Committees could be appointed by the Committee of Management. As no agreement could be arrived at, it was held that I could make a reference to Government. As this rendered the holding of the special meeting - unnecessary, I had to bring up Mr.Narayana Sastry's case before the meeting.

(e) Mr.Narayana Sastry's case ought not to have been brought up as the special recommendation of the Education Sub Committee (Enc:II) had not been disposed off. This recommendation was to reinstate Mr.Narayana Sastry with a fine, and this does not deserve any notice as it is opposed to Government Proceedings for reasons stated below:-

i. When I placed Mr.Narayana Sastry's dismissal

dismissal before the Committee of Management for information and filling up his vacancy, Mr.Balakrishnaiya got it transferred to the Education Sub Committee. The Education Sub Committee then comprised Messrs.Balakrishnaiya and his two friends Messrs.P.Nagadasappa and Ramachandra Rao Scindia. (iii) The recommendation was made before the Education Sub Committee had the full complement of members and before the District Education Officer could take his seat. (iv) According to Government proceedings No.1250, Rule 2, under 'Committee of Management' the - various Sub Committees can only deal with matters entrusted to them and cannot call for any records, as they please. (v) Matters of discipline do not come under the duties entrusted to them by the Committee of Management.(Enc.V). (vi) The Education Sub Committee cannot by any means deal with a disciplinary matter on which two Head Masters from 1930 up-to-date had unfavourably reported against Mr.Narayana Sastry and Mr.B.Srinivasalu Naidu, Manager, Mr.K.N.Ramayya Chairman of the Education Sub Committee and Mr.C.S.Kuppuswamienagar former Chairman of the Committee of Management had all warned him and threatened to send him home and I had dismissed him. (vii) Even the Committee of Management could only deal with general matters and not with special acts such as discipline,despatch and disposal of work which are expressly invested in the Chairman who is held responsible for the efficient discharge of duties. (Government Proceedings 1250, para (1) under 'Duties of Chairman').

(f) Mr.Balakrishnaiya states that the record "left to the Chairman" made in the meeting held on 26-5-40 be deleted as there could not have been a quorum when it was recorded. I may state in this connection that in the meeting of the Committee of Management dated 26-5-40 one of the subjects taken up was Mr.Narayana Sastry's dismissal. Before this subject could be taken up Mr.Balakrishnaiya left the meeting and thereupon Dr.Parthasarathy, contrary to his previous views, proposed that disciplinary powers were vested

were vested in the Chairman but that dismissals should be reported to the Committee of Management. On the other hand, Messrs. Ramachandra Rao Scindia, Nagadasappa and Munisetty proposed that School Master Narayana Sastry's case was left to me. Messrs.Naranappa, Y.Maniswamy Setty did not propose any amendment or counter-proposal. As it comprised the opinion of seven members present, I recorded "Left to the Chairman". The following will disclose the recklessness of Mr.Balakrishnaiya's contention. (i) There were seven members present when the record was made by me. (ii) Mr.Balakrishnaiya was himself absent and it is astounding that he should have made a false statement as to quorum. (iii) After this subject, three other subjects were discussed and decided and in the last subject Mr. Y.Maniswamy Setty proposed that preference should be given to Non-Brahmins in the selection of teachers. (iv) In pursuance of this record, Mr.Nagadasappa brought Mr.Narayana Sastry to offer an apology to me and Mr.Narayana Sastry represented that he was very poor and had a large family and some mercy may kindly be shown to him. (v) Mr. Narayana Sastry was directed to apologise to the Head Master and on the Head Master's recommendation, I reinstated him reducing his pay but he has not cared to take charge of the post. The order of dismissal is restored. (vi) Lastly, it may be stated that Mr.Balakrishnaiya raised this objection after the minutes of the meeting held on 26-3-40 in which the record 'Left to the Chairman" was made were read and recorded at the meeting dated 8-6-40 and after the agenda of this meeting had all been gone through. It may further be added that recording the minutes of the previous meeting is not a routine matter, as the copy of the minutes of all meetings are sent to every member of the Committee of Management within seven days after the dates on which the meetings are held as per Government Proceedings (Rule 7, under "Meetings" 125b).

One of the subjects on the agenda of the meeting of the Committee of Management held on 19-3-40 was -

was the consideration of letters of Mr.Yajaman Muniswamy Setty dated 29-12-38, 30-12-38 and 1-2-40. These three letters comprise two subjects - one relating to the special class, the other motive ascribed to the Chairman and the two Head Masters. (i) As regards the special class this was thoroughly gone into by the previous Education Sub Committee and placed before the Committee of Management for disposal. It was pending before the Committee of Management for two months. Nevertheless, Mr.Balakrishnaiya proposed that it should go before a special committee comprising his supporters Dr.Parthasarathy, Messrs.Yajaman Muniswamy Setty, Ramachandra Rao Scindia, and Balakrishnaiya as members, the latter being proposed by Dr.Parthasarathy. This is highly improper as the subject was purely technical and having been considered by a technical Committee it cannot be again considered by another Committee of lay members comprising Mr.Yajaman Muniswamy Setty the complainant, as one of the members. (ii) If on the other hand Mr.Y.Muniswamy Setty's allegation, that the former Chairman Mr.C.S.Kuppuswamichetty had been managing the S.L.N. Charities as his own private affair and the two Head Masters have been dishonest in managing the special class, are to be the subject of enquiry, Mr.Yajaman Muniswamy Setty should first of all make out a case and it is only then it could be referred to another Committee but Mr.Muniswamy Setty cannot by any means be a member of that Committee.

As regards Mr.Yajaman Muniswamy Setty he has always been arrogating powers and passing reckless remarks. When the services of one Mr.Krishnamurthy Rao, a teacher in the Primary School were dispensed with, Mr.Y.Muniswamy Setty had the - impudence to remark that he had not seen such high-handedness in all his experience. Further one of his sons who is a teacher in the Primary School applied for leave to the Head Master of the Middle School and on the latter referring him to the Head of the Primary Section the son resenting it, reported the matter to his father who immediately interfered in the matter passing insulting remarks and imputing communal bias. Mr.Muniswamy

Mr. Muniswamy Setty in one of his petitions dated 25-12-39 asked me to summon the Head Master before the meeting of the Committee of Management with a view to cross-examine him and when this was disallowed he remarked that he could not understand why a Head Master's presence could not be secured when Mr.C.S.Kuppuswamienger the previous Chairman of the Committee of Management had been interpellated at great length. Further in his petition dated 1-2-40 he imputes dishonest motives to the Head Masters and interestedness to Mr.Kuppuswamienger in the management of the Charities and he has not up-to-date tried to substantiate the charges. This member owes S.2019/11/6 as per an alleged entry in the hand of the Donor in one of the account books which has now been traced. Recently, one of his sons was taking the primary school boys in drill. The Inspector Mr. Y. Muniswamy found that he was giving wrong caution and he was scolding thought it was degrading but he had to give in lose disciplinary action should be taken against the son. It is also stated that when the Inspector of Schools found fault with his son, Mr.Yajaman Muniswamy Setty had the brazenness to Correct the Inspector of Schools.

Mr. Ramachandra Rao Scindia, when Mr.Narayana Sastry's record of dismissal was placed before the Committee of Management for information remarked, that he was under the impression that the influence of the Head Masters had ended with the resignation of Mr.Kuppuswamienger thereby insinuating that I was also similarly influenced and that Mr.Narayana Sastry's dismissal was undeserved as he knew that unpassed teachers had excelled qualified ones in teaching, though Mr.Ramachandra Rao Scindia knew that Mr.Narayana Sastry had been dismissed for disobedience incompetence, disqualification and unpunctuality. Mr. Ramachandra Rao Scindia has absented himself from 17 consecutive meetings of the Education Sub Committee and this shows the interest evinced by him.

As regards Mr.Narayana he is a member of the Committee of Management and Secretary of the Hostel Sub Committee. He is hard of hearing and his discussions are often impulsive and irrelevant. As regards his -- duties as secretary of the hostel sub committee, the Auditor has passed severe strictures on its management.

As regards Mr.Nagadasappa he takes no interest whatever in the management of the Charities and his views on matters relating to the Charities specially the Temple are onesided and prejudicial.

In the meeting of the Committee of Management held on 12-2-40, I proposed that Maistry Kanappa who is illiterate and incapable of making estimates and draws a salary of Rs.40/- per mensem with one free meal a day should be dispensed with as per para (10) of Government Proceedings no.1255 and yet his services are retained.

It was also suggested by me to combine the duties of Warden and the Industrial Superintendent as the latter was capable of holding both the appointments and thereby effect a saving of Rs.15/- a month. The above two cases, if approved, would have resulted in a saving of Rs.60/- a month.

I placed a memo (copy enclosed Enc.III) before the Committee of Management pointing out that the various Sub Committees should appoint their own Chairmen and disciplinary matters should be left to the Chairman of the - Committee of Management as per Government Proceedings. This gesture of conciliation was not accepted. During Mr.Kuppuswamiengar's Chairmanship matters were brought to an -- unpleasant pass with Mr.Balakrishnaiya interpellating him at great length on the special class at the meeting held on 3-10-39, culminating in violent strictures being passed on him at the meeting dated 6-10-39. Since then, Mr.Balakrishnaiya has been looked up to for guidance. Instead of setting a good example he has disregarded Government Proceedings, precedent

precedent and decorum, making arrogant and unscrupulous remarks actuated by love of power and he has done so with impunity, playing upon the confidence reposed in him by most of the Jyotinagara Vaisya Community Members and - Messrs. Ramachandra Rao Scindia and Dr.Parthasarathy. It further strikes me that after the arrogance left over from Mr.Kuppuswamiengar's resignation, the credit for which - could easily be arrogated by the members, the conduct of most of the members of the Committee of Management has been overbearing and unreasonable.

For these reasons, I ventures to recommend that in the interest of the S.J.N. Charities the present - Committee of Management deserves to be superseded at a very early date with the exception of Dr.Royan, Mr.A. Tandoni Rao and Mr.J.Munisetty. Since Dr.Parthasarathy has resigned, I beg to state that in the place of those displaced two other Jyotinagara Vaisyas making up three with Mr.J.Munisetty a Retired Deputy Commissioner, Sessions Judge, Deputy Director of Public Instruction, Retired Deputy Comptroller of Accounts and an Advocate, may kindly be appointed. I have ventured to suggest Officers of - very high status, so that the Committee of Management may not be easily led away by plausible arguments, love of power and selfish domineering influences.

D.O. letter dated 20th July 1940, from the Chairman, Committee of Management, S.L.N. Charities, Bangalore, to the Deputy Commissioner, Bangalore District, Bangalore.

I am in receipt of your D.O. of the 20th July 1940, enquiring if the supersession of the Committee of Management cannot be put off till the expiry of their term in November 1940.

When I made the report I was aware of the time limit of their term of office.

From the facts disclosed in my report it is evident that the majority of the Committee of management have formed themselves into a clique and have been over-riding Government Proceedings, precedent, Discipline and economical management of the S.L.N. Charities, not to speak of their insulting attitude in conducting debate and questioning the validity of - recorded minutes.

If in the face of these facts they should be permitted to continue till the expiry of their term, it would amount to a tacit acquiescence of their impossible and obstructive attitude and encourage them to continue and their successors to adopt similar tactics.

For these reasons, I am constrained to reiterate my request for their immediate supersession.

The next meeting of the Committee of Management will be held on the 10th of August 1940. There would be ample time to reconstitute a new Committee. I would suggest the following

Jyothinagara Vaisyas:

1. J. Munushetty to be continued.
2. K. Appajappa
3. V. Sampangiramia
4. J. Nagadasappa, old member, may be continued.

ENCLOSURE I

Order on reference No.418 dated 11-2-1940.

Mr.C.Narayana Sastry, Kannada Pandit, Middle School.

As regards the five charges against Mr.Narayana Sastry he explains that -

1. His late attendance was due to intestinal cancer. But this complaint is not referred to even once in the various explanations given by him.

2. As regards 2, he admits he has no education qualification; and it isseen from the report of the Head Masters that it is not compensated for by regular attendance, industry, prompt and efficient discharge of duties and much less obedience.

3. As regards 3, he admits there might have been some delay in the submission of reports and notes of lessons but in the same breath he discredits Mr.Punita's remark as being unfounded and asks me to refer to the Trustees about his sincere and hearty hard-work.

4. As regards 4, his disobedient behaviour, he remarks that he belongs to the old school and that he has been misunderstood. Even here, he refers me to the Trustees. It is preposterous to refer me to the Trustees who cannot by any means know anything about his work and behaviour, when his immediate superiors, who are in close touch with his work and conduct, have adversely reported against him at long intervals. It is further seen from Supervision Notes that he rarely prepares notes of lessons and those that were prepared were imperfect, along with the programme of work.

His conduct had been brought to the notice of Mr.Srinivasalu Naidu by the previous Head Master Mr.Punita so far back as 1930 and it has been ordered by him that if the teacher does not carry out his duties properly, he has to go home. Mr.Kuppuswamiengar, my predecessor on report by the present Head Master Mr.Shama Rao has severely warned him with a further remark that if he does not mend his ways his services will be dispensed with. Even after I took charge he has attended late on 22-11-39, 18-1-40, 1-2-40 & 2-2-40.

Thus it is evident that he is incorrigible, unqualified inefficient, indifferent, dilatory and disobedient and he is devoid of all sense of duty. From 1930 uptodate the teacher has not improved one bit and severe warnings and threats of dismissal have had no effect on him. Evidently his reprehensible habits of work have had a vice-like grip on him and his intelligence has become stiff and rusty for want of exercise in the right direction.

To a superficial observer it might strike that dispensing with the service of Mr.Narayana Sastry would be a great hardship on him but at worst it can only be materially so, On the other hand it would be criminal folly and discreditable to the Management to entrust such a teacher with the duties of developing and cultivating the intellectual and moral faculties of impressionable and sensitive boys of immature age and ruin them for life.

For these reasons the Head Master will relieve him of his duties from the day following the date of receipt of this order and report the fact to this office with all enclosures.

dated 5/7-4-40

Proceedings of the meeting of the Education Sub Committee which met on Wednesday the 3rd April 1940 at 4.0 p.m.

Members present:- 1.N.Balakrishnaiya, Esq.,B.A.,LL.B.
2. M.Ramachandra Rao Scindia Esq. 3. P.Nagadasappa Esq.
4. M.N.Subramanyam, Esq.,M.A.,B.T. 5. H.Shama Rao, Esq.,B.A

1. The minutes of the previous meeting were and confirmed.
2. Letter No.1. Dis-4482-406/39-40 from Director of Public Instruction granting permission to the District Educational Officer, Bangalore, to serve as a member of the Educational Sub Committee of the S.L.N.Institution sent through the Managing Committee of the Institution is read and recorded.
3. Letter from the Managing Committee about Mr.C.Narayana Sastry.

The file connected with Mr.Narayana Sastry, one of the teachers in the Middle school, has been referred to this Sub Committee for opinion.

The Head Master of the Middle school has initiated a report against the teacher for action and sent it direct to the Chairman of the Managing Committee, while in a similar case such reference has passed through the Education Sub Committee. The Head Master is member of the Committee and it is rather inexplicable as to why the same course was not followed in this case also. This course however appears to be irregular and derogatory to the Sub Committee and the irregularity, if any, should be cured or definite direction that all matters pertaining to the Education Section should pass through the Committee, if such a course is deemed to be convenient and desirable in the interest of efficient administration.

The Committee had a free, elaborate and detail discussion of all aspects of the question and came to a conclusion which differed from the recommendation of the Head Master; then the Head Master - members urged that their opinion should find a place in the deliberations. The Head Master the Middle school has made a definite recommendation that the teacher in question should be dismissed and it cannot therefore naturally be expected of him to change his opinion in the Committee; the Head Master of the High School also endorsed the view of the other Head Master. At any rate the Head Master of the Middle school who is a prosecutor in this case ought not to have pressed for his opinion to be recorded, which amounts to playing a judge as well. However according to the constitution of the Sub Committee the Head Masters have no right of vote so as to affect the decisions of the Committee; and so their protest partakes the nature of an argument or opinion that may be taken into consideration by other members in coming to a conclusion. The three other independent members have after a careful and anxious

consideration of the entire records and the arguments advanced by the Head Masters have decided the matter as recorded hereunder.

1. Late Attendance- The late attendance as disclosed in the records is about a dozen times spread over during a period of about ten years. The teacher has admitted and given explanations, disclosing some times causes for late attendance such as his own sickness or that of the members of his family; there is no further investigation and the explanations are not found to be untrue. They have been accepted perhaps on the assurance contained therein that such defaults will not be repeated. It cannot be denied that there might be other delinquents amongst the teachers in this respect, but there is no instance where such a punishment was ever proposed; but it is ascertained that some lattitude is always available where good cause is shown .

2. Educational Qualifications. The teacher admits that he does not possess qualifications of the modern type; but the reports do not disclose any inefficiency on that account; his experience and proficiency in his own subjects are not questioned by the Head Master; the old method of teaching does not also appear to have stood in the way of preparing the students to take the examinations of the modern type. The teacher has put in a service more than 20 years in this s school and his age at present is said to be 48 and it is rather too much to expect that he can apply for any examination at this stage. This disqualification if it should be called as such, is brought to a distinct relief in support of the other alleged defects in him.

3. Late submission of notes and marks etc. - The teacher admits of not havi submitted on some occasions, the notes of lessons in time; he belongs obviously to the old school and is said to follow old methods in every thing and it is indeed hard for him to adjust himself to the modern methods. In regard to the default in entering marks he has given explanation that he is ignorant of english language and may be permitted to write out the names in Kanarese and e enter the marks. This defect is not remedied by the Head Master nor is that complaint further repeated. Further, the interferences of the Head Master in connection with the "Supervision Notes" appear to be rather unwarranted especial in view of the fact that when the Head Master visited the concerned class a second revision of the old lessons was being done, which fact is clearly evidenc by the statements of the students of the class. A programme of the work appears to have been given only once as disclosed in the records and there is nothing to show that that was not followed.The absence of complaint in this respect thereafter may lead to the inference that it might have been followed.

4. Disobedient behaviour.- Complaints of his conduct and behaviour are found in one report of the previous Head Master and the report of this Head Master; but the remaining records do not throw any light on those bare statement It is however strange that facts constituting such behaviour are sufficient details to gather such conduct are wanting in the records made nor was any specific allegation of facts made at any time and the teachers explanation obtained therefor. A number of explanations have been obtained in the matter of late attendance and if it is to be taken that the disobedient behaviour was a continued one it could not have missed the attention of the Head Master in demanding explanation in this direction also. We see on the otherhand that the explanations of the teacher have all been couched in dignified and respectable language and display further not merely obedience but even a sort of humiliation.

It therefore appears that his repetition of late attendance together with his behaviour peculiar to a person of the old school has compelled the Head Master to make a report of the kind now under consideration; the teacher's reference to the Trustees is also characteristic of persons belonging to the old school following the proceedures available perhaps before the formation of the Managing Committee and a Trust Board was in existence.

Considering all the matters we are unanimously of opinion that the recommendation of the Head master in dealing out such a drastic punishment cannot be supported in the peculiar circumstances of this case.

A severe warning is thought to be enough to meet the situation; but havi regard to the opinion of the Head Master, we propose that a fine be levied; he may further be warned to mend his manners and methods within a given period of six months.

ENCLOSURE III

M E M O

I would like to bring the following to the notice of the members of the Committee of Management. Four meetings have been held since I took charge of the Chairmanship of the Charities and all along Mr.N.Balakrishnaiya has been the main speaker and mover of propositions. I shall consider the activities of the Committee of Management under 2 heads:-

I. Attitude towards the Chairman.
II. Disregard for Govt. Proceedings and precedent.

As regards I (a) the attitude of Mr.Balakrishnaiya has been domineering (i) When the receipts and Expenditure accounts were produced for the first time before the Committee of Management he questioned about the propriety of ~~her~~ having spent 4 annas for the laboratory. I explained to him the propriety by reference to registers. He put me off by the remark that that was not wanted. (ii) My recommendation in the interest of economy, as per Para 10 of Govt. Proceedings to discontinue the services of Maistry Rangappa who gets a pay of Rs.45/- a month and a free meal a day and to combine the posts of Warden and Industrial Superintendent and thereby secure a savings of Rs.15 a month were also ~~xx~~ turned down even though this would have secured a total ~~xxx~~ savings of Rs.60 a month

(b) As regards Mr.Muniswamy Setty when the services of one Mr.Krishnamurthy Rao a teacher in the Primary School were dispensed with he remarked that I was high-handed and heartless. (i) When one of his sons a teacher in the Primary school applied for leave he illegally intervened with insulting remarks on communal basis against the Head Master of the Middle school. (ii) In one of his petitions he demanded that the Head Master of the High School should be produced before the Committee of Management. I disallowed on the score that any information wanted could be easily procured through the Chairman and his presence could not be allowed. He remarked that if the Chairman could be interpellated why not the Head Master? (iii) Mr.Muniswamy Setty in his petition dated 1-2-40 has imputed dishonest motives to the Head Masters.

(c) (i) As regards Mr.Ramachandra Rao Scindia when the records relating to the dismissal of Mr.Narayana Sastry a teacher in the Middle school was placed before the Managing Committee he remarked that he was under the impression that the influence of the Head Masters had ended with the resignation of Mr.Kuppuswamiengar insinuating thereby that I was still influenced by the Head Masters. Why insult me if he wanted to help Mr.Narayana Sastry? (ii) He further remarked that unqualified teachers were better than qualified teachers in some cases. In his anxiety to help Mr.Narayana Sastry he forgot that Mr.Narayana Sastry was dismissed for being unqualified, for incompetency, disobedience and late attendance.

Thus it will be seen that the attitude of the three members has been by no means courteous. I could easily have retorted these remarks that they were the outcome of ignorance, perverseness, insult and favourtism but I took no notice of them as it was unbecoming of me to descend to low levels. This as such may be brushed aside as trifling.

II. But as regards II i.e. disregard of Govt. Proceedings and precedent the same attitude cannot be exhibited and they should be rectified. (a) As regards the appointment of the Education Sub Committee it is against Govt. Proceedings No. 1255 etc. which lays down that the Committee members should transact business entrusted to them and frame subsidiary rules. This presupposes that to transact business the members comprising it should have powers of voting. Mr.Balakrishnaiya proposed that himself, Mr.Y.Muniswamy Setty Mr.Ramachandra Rao Scindia and the two Head Masters and one Education Officer as members and when I suggested that Mr.Muniswamy Setty cannot be a member as two of his sons and a soninlaw were ~~xxx~~ serving as school masters he proposed the ~~name~~ name

Mr.Nagadasappa instead and added that the Head Masters should not have the powers of voting. It was in vain pointed out to him that Head Masters as members had inherent powers of voting and that they had hitherto been exercising their right of voting in the Hostel Committee and one of them in the Industrial Committee. Thereafter Mr.Muniswamy Setty who was not a member of the Education Committee proposed Mr.Balakrishnaiya as Chairman. This is a grave irregularity because Chairmen can only be appointed by the respective sub committees. It may also be reamrked that Mr.Scindia is amember of this Committee. He cannot be a member as he has absented himself from 15 consecutive meetings out of seventeen meetings held during the course of about two years. - The first meeting attended by him was on 12-2-38 and the last meeting attended by him was on 3-4-40 when Mr. Narayana Sastry's case was taken up.- For these reasons the Education Sub Committee is illegal and a new sub committee should be appointed according to proceedings and precedent.

(b) When MrNarayana Sastry's order of dismissal by the Chairman was placed before the Committee of Management for information Mr.Balakrishnaiya suggested that it should be sent on to the Sub Committee of Education of which he is Chairman and he got it transferred to the Sub Committee. This is illegal because according to Government Proceedings No.1255 etc. Sub Committees can only deal with matters entrusted to them and they cannot call for any records pending before the Committee of Management and much less records in which the Chairman had passed final orders and had brought it for the information of the Committee of Management. It is further forgotten that I am the Executive Officer of the Committee of Management (Para 2 of the Scheme) and responsible for efficient discharge of duties (Para 1 -Chairman's duties) . It is also forgotten that the C Committee of Management can only deal with general matters and that all special acts such as discipline disposal of work and efficient discharge of duties are invested in me. Thus any opinion passed about Mr.Sastry by this illegal sub committee is also illegal.

(c) Mr.Balakrishnaiya proposed that a special Committee comprising Dr.Parthasarathy Mr.Muniswamy Setty Mr.Ramachandra Rao Scindia should be formed and Dr.Parthasarathy proposed Mr.Balakrishnaiy's name to be included in it, to enquire into Mr.Muniswamy Setty8s petitions dated 25-12-39, 30-12-39 and 1-2-40 relating to the special class. The appointment of special Committee is illegal for the following reasons:- (i) It has been pending before the Managing Committee for 5 or 6 months and it cannot go back to a special Committee because according to Govt. Proceedings it must go before an Education Committee and the new Education Committee even if it were legall formed could not take it up because the old Education Committee had finally given their opinion and sent it for the decision of the Managing Committee. Lastly Mr.Muniswamy Setty the complainant is also a member having the power of voting. For these reasons the special committee appointed is illegal.

In conclusion I may state -

1. that a new Education Sub Committee should be appointed
2. that the special committee appointed to enquire into the petition of Mr.Muniswamy Setty is null and void.
3. that the superficial opinion of this irregular Education Committe on Mr.Narayana Sastry's dismissal is ultra vires.
4. Mr.Muniswamy Sett in his petition dated 1-2-40 has imputed dishonest motives to the two Head Masters. This has either to be proved by Mr.Muniswamy Setty or taken back by him with regret or I will be forced tp send this petition to the respective parties to vindicate their honour.
5. The Committee of Management has only general powers but special acts such as discipline disposal of work and efficient discharge of duties are invested in me by Government proceedings. This has to be recognised.

In conclusion I may state that I would be very glad if these defects are set right amongst ourselves.

J.Appaji Gowda, Esq., M.A.,(Hons.)
General Secretary to Government,
BANGALORE.

Dear Mr.Appaji Gowda,

As desired by the Second Councillor I am submitting 32 enclosures comprising the records relating to the various matters referred to in my report No.36 dated 16-7-40 to Mr.A.A. Khan. In the contents to the enclosures, reference is invited to the pages and paras and lines of the said report to which each enclosure relates.

In this connection I may be allowed to submit that it is erroneously believed that the Chairman and the Committee of Management have equal powers as if the Chairman was appointed by the Committee of Management. As a matter of fact as per enclosures 15, 31 (i) and 31 (ii) the Chairman is appointed by Government with special powers as the executive officer of the Committee responsible for the efficient discharge of his duties.

As regards Mr.Narayana Sastry's case, the records relating to his dismissal were placed before the Committee of Management on 9-3-40, 19-3-40 and 8-7-40 and on the latter date the matter was 'left to the Chairman'.

Yours sincerely,

Sir,

Re::Budget Estimates of the S.L.N. Charities for 1940-41.

I have the honour to send herewith the Budget Estimates of the S.L.N. Charities, Fort, Bangalore City for the year 1940-41. The Budget of the First Bequest or General Budget Estimates provide for Rs.33,892 as Normal Receipts and Rs.32,579 as Normal Payments. It is expected that the State Loan Bonds of 1940 will mature in September next and their realisations of Rs.6,475 as well as Rs.5,000, amount withdrawn from the same source last yar, with Rs 1,313 as Surplus for the Budget year are set apart for the Capital works such as buildings costing Rs 10,000 and a marble statue of the Founder late Janopakari Doddanna Setty at a cost of Rs. 1,500 while Rs. 1,000 goes to the payment of interest and principal of the loan from Second Bequest.

The Second Bequest is estimated at Rs. 1,180 on both Receipts and Payments sides..

In the General Budget Estimates some of the items require to be explained.

RECEIPTS. Item 1 A. The rental collectionis shown to be much less on account of the apprehended reduction of rents due to war conditions, trade depression and Money Lender's Act.

Item 2 B. As State Loan Bonds mature in September next and as the amount is expected to be spent on capital works yielding a heavier percentage of return, no amount is shown as interest thereunder.

Item 4 B. High School class fees are expected to yield this amount as the freeships have been reduced from 20% to 10% from 1940-41.

PAYMENTS :- Item 1. Salaries - Under this head very little margin has been shown for emergencies. The existing staff has been taken on the existing pay..

The improvement of the pay and prospects of the literary sections of the school has been engaging the attention of the Committee of Manageme from 1935 but its consideration had to be put off for want of funds probabl due to the heavy demands on the funds for the construction of the temple

temple but this demand is now dwindling. This year we have been able to set apart 10% of the income amounting to Rs. 3,389 for the Reserve Fund. If this should be reduced to 10% on the surplus, as is done by the audit departments, the reserve for three years (as no reserve has been built up for the last two years) would come to Rs. 1,352 leaving a balance of (Rs 3389 - Rs 1352) Rs. 2,037. The amount required for giving increments as per list enclosed comes to Rs. 1,908 which still leave a balance (Rs. 2037 - Rs. 1908) of Rs. 129.

If Government should not be pleased to accept the adoption of 10% of the surplus as Reserve, they may kindly be pleased to sanction a special grant to the High School & Primary Sections with a view to maintaining the present level of efficiency recognised by the Department of Public Instruction. This would also contribute to minimise the discontent prevailing among the teachers as observed by Government in their Order No.E.4332-3 Edn.11-36-70 dated 26th June 1937 regarding the sanction of a grant to this Institution.

Item 2 - Hostel - The continued rise in the cost of provisions has necessitated a slight increase in the Boarding and Lighting Charges.

Item 7 A - Repairing charges include the triennial repairs to the Cinema Hall as well.

Item 7 B - The Buildings to be constructed newly are expected to be ready for occupation before the end of the calendar year and the probable Municipal assessment for the Second Half of the year is added on to the existing assessment..

Increased expenditure under several heads inthe actuals of the Budget for 1939-40 have been authorised by resolutions of the Committee of Management.,

I request that the two Budget Estimates may kindly be submitted to the Government for their approval..

I have the honour to be,

Sir,

Your most obedient servant,

Sd. C. Machia

ENCLOSURE No. 10.

M E M O.

I would like to bring the following to the notice of the members of the Committee of Management. Four meetings have been held since I took charge of the Chairmanship of the Charities and all along Mr. M. Balakrishnaiya has been the main speaker and mover of propositions. I shall consider the activities of the Committee of Management under two heads -

1. Attitude towards the Chairman
2. Disregard for Governemnt Proceedings and precedent.

As regards 1. (a) The attitude of Mr. Balakrishnaiya has been domineering (i) when the receipts and expenditure accounts were produced for the first time before the Committee of Management he questioned about the propriety of having spent 4 annas for the laboratory. I explained to him the propriety by reference to registers. He put me off by the remark that that was not wanted. (ii) My recommendation in the interest of economy as per para 10 of Govt. proceedings to discontinue the services of Maistry Rangappa who gets a pay of Rs. 45/- a month and a free meal a day and to combine the posts of Warden and Industrial Superintendent and thereby secure a savings of Rs.15/- a month were also turned down even though this would have secured a total savings of Rs.60/- a month.

(b) As regards Mr. Muniswamy Setty when the services of one Mr. Krishna Murthy Rao a teacher in the Primary School were dispensed with he remarked that I was High-handed and heartless. (i) when one of his sons a teacher in the Primary School applied for leave he illegally intervened with insulting remarks on communal basis against the Head Master of the Middle School. (ii) In one of his petitions he demanded that the Head Master of the High School should be produced before the Committee of Management. I disallowed it on the score that any information wanted could be easily procured through the Chairman and his presence could not be allowed. He remarked that if the Chairman could be interpellated why not the Head Master ? (iii) Mr. Muniswamy Setty in his petition dated 1-2-40 has imputed dishonest motives to the Head Masters.

(c) (i) As regards Mr. Ramachandra Rao Scindia when the records relating to the dismissal of Mr. Narayana Sastry a teacher in the Middle School was placed before the Managing Committee he remarked that he was under the impression that the influence of the Head Masters has ended with the resignation of Mr. C.S.Kuppuswamier insinuating thereby that I was still influenced by the Head Masters . Why insult me if he wanted to help Mr. Narayana Sastry ? (ii) He further remarked that unqualified teachers were better than he forget that Mr. Sastry was dismissed for being unqualified, for incompetency, disobedience and late attendance.

Thus it will be seen that the attitude of three members has been by no means courteous. I could easily have retorted these remarks that they were the outcome of ignorance, perversenss, insult and favourtism but I took no notice of them as it is unbecoming of me to descend to low levels. This as such may be brushed aside as trifling .

2. But as regards 2 i.e. disregard of Government precedent the same attitude cannot be exhibited and they should be rectified. (a) As regards the appointment of the Education Sub Committe it is against Govt. Proceedings No. 1255 etc., which lays down that the Committee members should transact business entrusted to them and frame subsidiary rules. This presupposes that to transact business the members comprising it should have powers of voting. Mr. Balakrishnaiya proposed that himself, Mr. Muniswamy Setty, Mr. Ramchandra Rao Scindia and the two Head Masters and one Education Officer as members and when I suggested that Mr. Muniswamy Setty cannot be a member as two of his sons and a son-in-law were serving as school masters he proposed the name of Mr. Nagadasappa instead andadued that the Head Masters should not have powers of voting. It was in vain pointed out to him that Head Masters as members had inherent powers of voting and that they had hitherto been exercising their right of voting in the Hostel Committee and one of the Hostel Industrial Committee. Thereafter Mr. Muniswamy Setty who was not a member of the Education Committee, proposed Mr. Balakrishnaiya as chairman This is a grave irregularity because Chairmen can only be appointed by the respective sub committees. It may also be remarked that Mr. Scindia is a member of this committee. He cannot be a member as well as

absented himself from 15 consecutive meetings out of 17 meetings held during the course of about two years -- the first meeting attened by him was on 12-2-38 and the last meeting attended by him was on 3-4-40 when Mr. Narayana Sastry's case was taken up. For these reasons the Education Sub Committee is illegal and a new sub committee should be appointed according to proceedings and precedent.

(b) When Mr. Narayana Sastry's order of dismissal by the Chairman was placed before the Committee of Management for information Mr. Balakrishnaiya suggested that it should be sent on to the Sub-Committee of Education of which he is Chairman and he got it transferred to the sub committee. This is illegal because according to Govt. Proceedings No. 1255 etc., Sub Committees can only deal with matters entrusted to them and they cannot call for any records pending before the Committee of Management and much less records in which the Chairman had passed final orders and had brought it for the information of the Committee of Management. It is further forgotten that I am the Executive Officer of the Committee of Managemnt (Para 2 of the Scheme) and responsible for efficient discharge of duties. (para 1 Chairman's duties) It is also forgotten that the Committee of Management can only deal with general matters and that all special acts such as discipline, disposal of work and efficient discharge of duties are invested in me. Thus any opinion passed about Mr. Sastry by this illegal sub committee is also illegal.

(c) Mr. Balakrishnaiya proposed that a specialcommittee comprising Dr. Parthasarathy, Mr. Muniswamy Setty, Mr. Ramachandra Rao Scindia should be formed and Dr. Parthasarathy proposed Mr. Balakrishnaiy's name to be included in it, to enquire into Mr. Muniswamy Setty's petitions dated 25-12-39, 30-12-39 and 1-2-40 relating to the special class. The appointment of special committee is illegal for the following reasons :- (i) It has been pending before the Managing Committee for 5 or 6 months and it cannot go back to a special committee because according to Govt. Proceedings, it must go before the Education Committee and the new Education Committee even if it were legally formed could not take it up because the old Education Committee had finally given their opinion and sent it for the decision of the managing Committee. Lastly, Mr. Muniswamy Setty the complainant is also a member having the power of voting. For these reasons the special Committee appointed is illegal.

In Conclusion I may state -

1. that a new Education Sub Committee should be appointed
2. that the special committee appointed to enquire into the petition of Mr. Muniswamy Setty is null and void.
3. that the superficial opinion of this irregular Education Committee on Mr. Narayana Sastry's dismissal is ultra vires.
4. Mr. Muniswamy Setty in his petition dated 1-2-40 has imputed dishonest motives to the two Head Masters. This has either to be proved by Mr. Muniswamy Setty or taken back by him with regret or I will be forced to send this petition to the respective parties to vindicate their honour.
5. The Committee of Management has only general powers but special acts such as discipline, disposal of work and effidient discharge of duties are invested in me by Government proceedings. This has to be recognised. In conclusion I may state that I would be very glad if these defects are set right amongest ourselves.

Proceedings of the meeting of the Education Sub Committee which met on Wednesday the 3rd April 1940 at 4 p.m.

Chairman's remarks.

1. The minutes of the previous meeting were read and confirmed.

2. Letter No. 1. dis-4482-406/39-40 from the Director of Public Instruction granting permission to the District Educational Officer, Bangalore to serve as a member of the Education Sub-Committee of the S.L.N.Institution sent through the Managing Committee of the Institution is read and recorded.

3. Letter from the Managing Committee about Mr. C. Narayana Pastry.

The file connected with Mr. Narayana Pastry, one of the teachers in the Middle School, has been referred to this sub-committee for opinion.

The Head Master of the Middle School has initiated a report against the teacher for action and sent it direct to the Chairman of the Managing Committee while in similar case such reference has passed through the Education sub-committee. The Head Master is a member of the Committee and it is rather inexplicable as to why the same course was not followed in this case also. This course however appears to be irregular and derogatory to the Sub-Committee and the irregularty, if any, should be corrected or definite directions that all matters pertaining to the education section shoul pass through the committee, if such a course is deemed to be convenient and desirable in the interests of efficient administration.

The Committee had a free, elaborate and detailed discussion of all aspects of the question and [illegible]

No. At Mr. Balakrishnaiya's suggestion on 9-4-1940 got it transferred.

This is right. Disciplinary matter has to go to the Chairman.

This is not true.

Except discipline and efficient discharge of duties.

Chairman's order is not referred to at all.

conclusion which differed from the recommendation of the Head Master; then the Head - Master - Members urged that their opinion should find a place in the deliberations. The Head Master of the Middle School has made a definit recommendation that the teacher in question should be dismissed and it cannot therefore naturally be expected of him to change his opinion in the Committee; the Head Master of the High School also endorsed the view of the other Head Master. At any rate, the Head Master of the Middle School who is a prosecutor in this case, ought not to have pressed for his opinion to be recorded, which amounts to playing a judge as well. However, according to the constitution of the sub-committee, the Head Masters have no right to vote, so as to affect the decisions of the Committee; and so their protest partakes the nature of an argument or opinion that may be taken into consideration by other members in coming to a conclusion the three other independent members hav after a careful and anxious considerati of the entire records and the arguments advanced by the Head Masters have decided the matter as recorded hereunde

Mr. Punita says late attendance too numerous to mention.

1. Late attendance -- The late attendance as disclosed in the records is about a dozen times spread over during a period of about 10 years. The teacher admitted and given explanations, disclosing some times causes for late attendance such as his own sickness or that of the members of his family ; there is no further investigation and the explanations are not found to be untrue. They have been accepted perhaps on the assurance contained therein that such defaults will not be repeated. It cannot be denied that there might be other delinquents amongest the teachers in this respect, but there is no instance where such a punishment was ever proposed; but it is ascertained that some latitude is always available where is good cause is shown.

Teacher admits late attendance. Dozen times does not exclude other days on which explanation was not taken. Promises made to be broken. This is beside the point. It is just like a prisioner complaining there are bigger thieves outside.

2. Educational qualifications - The teacher admits that he does not possess qualifications of the modern type; but the reports do not disclose any inefficiency on that account; his experience and profiency in his own subjects are not questioned by the Head Master; the old method of teaching does not also appear to have stood in the way of preparing the students to take the examinations of the modern type. The teacher has put in a service more than 20 years in this school and his age at present is said to be 48 and it is rather too much to expect that he can apply for any examination at this stage. This disqualification, if it should be called as such, is brought to a distinct relief in support of the other alleged defects in him.

Teacher admits disqualification.

This is not true.

It is stated that inefficiency is not disclosed. What are the Following?
1. Not preparing notes of lessons.
2. Programme of work.
3. Undermining discipline.
4. Damaging the morale etc.,
5. Neglecting homework exercise.
6. Daily progress report not prepared.
7. Correction of answer paper delayed.
8. Wilfully infringing & disobeying rules. .

Admits not having submitted notes of marks and lessons.

3. Late submission of note and marks. The teacher admits of not having subm on some occasions, the notes of less in time; he belongs obviously to

End of Charge

old school and is sai
methods in every thing and it is indee.
hard for him to adjust himself to the
modern methods. In regard to the defaul
in entering marks he has given the
explanation that he is ignorant of
English language amd may be permitted
to writ out the names in Kanarese and
enter the marks; this defect is not
remedied by the Head Master nor is that
complaint further repeated. Further, t
the interferences of the Head Master
in connectionowith the "Supervision
notes" appear to rather unwarranted
especially in view of the fact that
when the Head Master visited the con-
cerned class a second revision of the
old lessons was being done which fact
is clearly evidenced by the statements
of the students of the class. A progra
mme of work appears to have been given
only once as disclosed in the records
and there is nothing to show that that
was not followed. The absence of
complaint in this respect thereafter
may lead to the inference that it
might have been followed.

4. Disobedient behabiour -- Complaints of his conduct and behaviour are found in one report of the previous Head - Master and the reports of this Head- Master; but the remaining records do not throw any light on those bare statements. It is however strange that facts constituting such behaviour are sufficient details to gather such conduct are wanting in the records made— nor was any specific allegation of facts made at any time and the Teacher' expalnation obtained therefor. A number of explamations have been obtained in the matter of late attendance and if it is to be taken that the disbbedient behavoiur was a continued one it could not have missed the attention of the Head Master in demanding explanation in this direction also. We see on the hand that the explanation of the teacher have all been couched in digni- fied and respectable language and display further not merely obedience but even a sort of humiliation.

It therefore appears that his repe- tition of late attendance together with his behaviour peculiar to a person of the old school has compelled the Head Master to make a report of the kind now under consideration; the teacher's reference to the Trustees is also characterstic of persons belong- ing to the old school following the proceedure available perhaps before the formation of the Managing Commit- tee and a Trust Board was in exis- tance.

Considering all the matters we are unanimously of opinion that the recommendation of the Head Master in dealing out such drastic punishment cannot be supported in the peculiar circumstances of this case. A severe warning is thought to be enough to meet the situation ;

Committee of Management for information.

is shows he is antiquated and
nn adopt himself to new methods.

one has asked him to do this
mpossible feat.

But the Head Master in his
supervision notes (20-7-40)
remarks that programme was not
all drawn for the term.

A clever ruse to escape and evade
punishment but not to reform.

But what about inefficiency etc., ?

No one can find fault with
this reference.

Not a word is stated that the
record was got transferred by the
Sub Committee when the Chairman had
passed final orders and copies of
such orders had been sent to every
member and they were before the

This is deliberately ignored to give a semblance of jurisdiction to the Sub-Committee whose formation itself is illegal.

but having regard to the opinion of the Head Master, we propose that a fine be levied; he may further warned to mend his manners and methods within a given period Viz., six months.

ನಮ್ಮ ಮೈಲಾಲಯಲ್ಲಿ ಹೈಲೆ ಕ್ಷಾನಿಯಿಂದ ಉಪಯೋಗವಾಗಿದೆ ಎಂಬುದಕ್ಕೆ ಒಂದು ಉದಾಹರಣೆ ಹೇಳುತ್ತೇನೆ. ಮೊದಲು ಸಿಂಗಾಪುರದಲ್ಲಿ ಎಲ್ಲಾ ಕೆಲಸಗಳನ್ನು ಕೈಯಿಂದಲೇ ಮಾಡಬೇಕಾಗಿತ್ತು. ಈಗ ಹೈಲೆ ಕ್ಷಾನಿಯಿಂದ ಅನೇಕ ಕೆಲಸಗಳು ಸುಲಭವಾಗಿ ಆಗುತ್ತಿವೆ. ಉದಾಹರಣೆಗೆ ಒಂದು ಪುಸ್ತಕದ ಪ್ರತಿಗಳನ್ನು ಬೇಕಾದಷ್ಟು ಮಾಡಿಕೊಳ್ಳಲು ಹೈಲೆ ಕ್ಷಾನಿಯಿಂದ ಸಾಧ್ಯವಾಗಿದೆ. ಇದನ್ನು ಕೈಯಿಂದ ಮಾಡಬೇಕಾದರೆ ಬಹಳ ಕಷ್ಟವಾಗುತ್ತಿತ್ತು. ಇಂಥ ಹಲವಾರು ಕೆಲಸಗಳನ್ನು ಹೈಲೆ ಕ್ಷಾನಿಯಿಂದ ಸುಲಭವಾಗಿ ಮಾಡಿಕೊಳ್ಳಬಹುದು.

ಬಹಿಷ್ಕಾರದ ಪರಿಣಾಮಗಳು ಹೇಗಿದ್ದರೂ ಹೈಲೆ ಕ್ಷಾನಿಯಲ್ಲಿ ಮೆಷ್ಟರ್ ಸಪ್ಲೈಯರ್ಸ್ ತಮ್ಮ ಬಾಕಿಯಿಂದಾಗಿ ಇನ್ನೂ ಎಂದು ಹೈಲೆ ಕ್ಷಾನಿ ಇಟ್ಟಿದ್ದು, ಅವರಿಂದ ನ್ಯಾಯವಾಗಿ ಬರಬೇಕಾಗಿರುವ ಹಣವನ್ನು ಪಡೆಯಲು ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದೇವೆ. ಬಹಿಷ್ಕಾರದ ಪರಿಣಾಮವಾಗಿ ಕೆಲವು ಕಡೆಗಳಲ್ಲಿ ಹೈಲೆ ಕ್ಷಾನಿಯ ಮಾರಾಟ ಕಡಿಮೆಯಾಗಿದೆ. ಆದರೆ ಒಟ್ಟಾರೆ ಹೈಲೆ ಕ್ಷಾನಿಯ ಮಾರಾಟ ಹೆಚ್ಚುತ್ತಲೇ ಇದೆ. ಬಹಿಷ್ಕಾರದ ಪರಿಣಾಮವಾಗಿ ಹೈಲೆ ಕ್ಷಾನಿಯ ಮಾರಾಟ ಕಡಿಮೆಯಾಗಿದೆ ಎಂಬುದಕ್ಕೆ ಯಾವ ಆಧಾರವೂ ಇಲ್ಲ. ಇದಕ್ಕೆ ವಿರುದ್ಧವಾಗಿ ಹೈಲೆ ಕ್ಷಾನಿಯ ಮಾರಾಟ ಹೆಚ್ಚುತ್ತಲೇ ಇದೆ. ಬಹಿಷ್ಕಾರದ ಪರಿಣಾಮವಾಗಿ ಕೆಲವು ಕಡೆಗಳಲ್ಲಿ ಹೈಲೆ ಕ್ಷಾನಿಯ ಮಾರಾಟ ಕಡಿಮೆಯಾಗಿದೆ. ಆದರೆ ಒಟ್ಟಾರೆ

Sir,

I have the honour to acknowledge with thanks receipt of your let No.319 dated the 2nd January 1940 asking for information on some poini connected with the Morning classes opened temporarily for the benefit failed students from June to October 1939. I furnush below replies to questions seriatim.

(1) The Chairman of the Committee of Management is the authority His approval was taken before opening the classes. The Chairman also ap to have answered some queries on this point in a meeting of the Managin Committee.

(2) The instructions of the Chairman of the Committee of Managem conveyed to the Headmaster by the Chairman of the Education Sub-committe letter dated 12-6-1939 containing in detail the conditions under which t Morning Classes were to be opened are the authority. It may be explained this connection that the morning classes were being run for only a short period of four months and it was considered that consolidation statemen transactions might be submitted, once for all, after stabilisation of strength etc., although an interim statement of accounts for the first months was submitted by the Headmaster to the Chairman, through me, in accordance with the instructions contained in my letter cited above.

(3) The idea was not to balance receipts and payments as stated in the question, but to run the classes on a self-supporting basis, as economically as possible, so as to obviate any liability, however litt on the Trust Funds. This policy was kept in view. After the expenses o classes were met from the fees, there was a surplus, the disposal of w was naturally a subject for the decision of the Chairman of the Commit of Management to whom the question was submitted. A kind reference to c No.6 of my letter dated 12-6-1939 to the Headmaster will show that the Chairman himself had ordered that if there should be any surplus over expenditure, it should go to the Trust Funds. These instructions have carried out.

(4) A detailed statement is attached.

The amount of remuneration fixed was onthe basis of what was done ther High Schools and what was considered reasonable for the special str which the teachers were put to, in having to undertake this additional wor As for the authority fixing the remuneration, it was the Chairman of the Committee of Management who approved of the rates.

I wish to add one more para in regard to the admission of outside students. The resolution on the subject speaks of Morning classes for fail men, as they would be in the interests of the boys who had passed through our Institution. There is no specific exclusion of outsiders in the resolu tion. When along with our own boys, other boys also applied, it was found hard, unsympathetic and uncharitable to refuse admission to them, especial when our Institution is one based on a purely Charitable intention and p when the additional students did not mean any additional cost , when our boys who formed the majority did not attend to lose anything, when there no violation of any principle, when proper admission of outside boys to regular afternoon sections is a matter of course, and when the inclusion outside boys who had learnt under different teachers was calculated to facilitate exchanges of notes and thoughts between the two sets, to the advantage of our boys. My information is that even in other High Schools where such classes were opened, tehy were not restricted to the students the particular school which organized such classes. Further, the admission of such students was approved by the Chairman of the Committee of Managemen who has already answered queries in the Committee's Meeting on this point. If considered necessary, a reference may kindly be made to Mr. C.S.Kuppa- swamy Iyengar who discussed with me every point connected with the s ial section at the time of its opening.

A copy of the detailed instructions as approved by the Chairman of ommittee of Management and conveyed bybme to the Headmaster is herein enclosed for kind reference.

Before concluding, I may be permitted to say that at every stage tail connected with the Morning class has been approved by the Chairm whose instructions have been carried out. The special class itself did splendidly and creditably, standing first has resulted in some

(3) The Head Master, should get Rs 10/- for teaching plus Rs. 5/- for superintendence. (4) All the other assistants should get uniformly Rs. 10/- (5) The clerical allowance will be Rs. 5/- and the monthly contingent expenses should not exceed Rs 5/- . If more is necessary for contingent expenditure, the question might be referred to the Chairman of the Education Sub Committee. (6) If there should be any surplus over the total expenditure as detailed above, it should go to the Trust Funds. (7) The Classes should work for 4 periods a day for 5 days, in the week with period if necessary on aturday and Sunday, to equalize the quantity of work done by the assistants. AUDIT REPORT ON HOSTEL ACCOUNTS. for the year

Enclosure 27 (i)
135 pages

AUDIT REPORT ON THE HOSTEL ACCOUNT FOR THE YEAR 1936-37.

****

2. The articles purchased during the month are, in the absence of a stock book, tabulated on loose working sheets and the totals carried and noted in the monthly Abstract, a copy of which is also sent to the Board office. The working sheets,(tabulated sheets) are not preserved to enable verification of the total quantities and amounts noted in the Abstract. These have to be preserved.

3. ..... Amounts drawn from the board office for monthly expenditure are it is found credited to a private banking account and payments due made by cheques of the Supervisor. It appears that in two instances of payments made to the co-operative society, the cheques were returned unpaid and cash was paid subsequently. The procedure is irregular and should not be allowed to continue.

5. Expenditure Abstract for March 1937.

The purchse during this month were not made at the co-operativ society. They were made of Messrs. Hiranaya Stores. Eight bills for an aggregate amount of Rs. 98-4-0 have been filed with the Abstract. The bills are not headed either " cash " or " credit " bills. The printed remarks at foot of the bills viz., " articles once purchased cannot be taken back and interest at 10% will be charged after one month " incicate, however that they may relate to credit transaction. A separate receipt for the amount has not been obtained and filed or the " receipt " for payment obtained on the bills themselves.

8. The closing balance of Rs. 18-14-8 at end of March 37 were carried forward on 1-4-37 as Rs. 18-14-4. The balance of 0-0-4 pies has now to be receipted in the accounts.

10. Payments to milkman and curdsmaid.

(i) The milkman's signature has been obtained in the expenditu book for payment made during June 36. For subsequent payments-made between July 36 and March 37, his signature has not been obtained. During January and March a remark-see supply register for acquittance is made. The supply register was not produced.

AUDIT REPORT ON HOSTEL ACCOUNTS. for the year 38-39

The accounts of the Hostel show a very unsastisfactory state of affairs. The observations in the previous audit reports seem to have at last compelled the maintenance of a cash book showing the receipts, disbursements and the balance. Even so, instead of being regularly closed and balanced daily, it has been balanced only at irregular intervals, unsystematically and carelessly. The fact that the Hostel Supervisor did not make the cash balance available for verification on 1-7-1939 when called upon by me to produce it was duly reported by me on 2-7-39 tp the Chairman of the Charities. By checking the totals of the cash book it is now found that the cash balance as shown by the cash book as on 30-6-39 is understated by Rs.16-7-4. The following other discrepancies will show that the cash balance could not have been in agreement with the book balance on various occassions.

8. a) A cheque for Rs.64-0-9 issued by the T.B.O. on 20-8-38 for the purchase of hostel utensils was cashed ~~xx~~ by the Supervisor on 27-8-38. To whom and when the amount was paid by him is not ascertainable as vouchers therefor are not forthcoming. The supervisor in his explanation writes that the utensils were bought on 21-8-38! and a cash bill was not obtained.

8. d) Rs.37-8-0 was paid by the T.B.O. on 2-9-38 to the Supervisor for payment to the milkman. There is no voucher to show when and to whom it was paid.

e) Rs.38-7-6 paid by the T.B.O. on 26-9-38 .. do as above.

f) Rs.26-15-3 paid by the T.B.O. by cheque of 15-11-38 to the Supervisor (and cashed by him on 26-11-38) for purchase of hostel bedding and clothing is not supported by vouchers. When the amount was paid to the party is not, therefore ascertainable.

B. Regarding ..... copies of the indents have not been kept by him. Small quantities of fuel have also been frequently purchased for cash out of the Supervisor's contingent amount and they are not supported by vouchers, perhaps by reason of the purchase being in small quantities. .....
For instance, in the month of July, 1938, while 22 maunds and 48½ maunds were bought on 21-7-38 and 26-7-38, respectively from the usual suppliers, fuel for Rs.2/- has also been shown as bought for cash on 26-8-38.

C. STOCK OF PROVISIONS ..... does not show the quantities purchased and the balance after issue.

It is surprising that in spite of repeated observations in the previous audit reports, the Hostel accounts have not been put on a systematic basis so as to permit of proper supervision and control and the dectection of leakages.

Besides, all the books accounts and papers relating to the Hostel accounts do not seem to have been preserved or kept with such care or attention which they ~~xxxxxxxx~~ have to deserve, for it was not without undue loss of time that any information or explanation regarding of the Supervisor could be had. In fact, I was compelled to report to the Chairman of the Committee of Management, in this regard on 12-2-1940. Even now, the attendance register of the boarders for the period 1-7-38 to 31-12-39 has not been made available for my scrutiny.

D. It is found from the attendance register of the hostel boarders for the period 1-1-39 to 30-6-39-- the one for the first half-year not being available -- that paying boarders in January and February were 5 in number, 4 in March, April and May, and 2 in June. But, no amount has been collected from any of them.

The guests' column has not been regularly written up, and from what has been regularly written up it can be seen that no charge has been levied for the days exceeding one.

E me

Dear Mr. Khan, 29-8-39.

It is with great regret that I have to bring to your kind notice matter of serious important relating to the attitude of some of the members of the S.L.N.Trust Committee of Management.

Eversince I disagreed withthe members who were in favour of a reductionof the number of High School sections, they have assumed an attitude of non-co-operation culminating in attempt to create a dead lock. Not only have they not attended any meeting of the Trust Committee subsequent to my dissenting from them, they decided to take concerted action by asking me to convene a special meeting to consider a resolution of theirs proposing a vote of no confidence in the Chairman. This is a sequel tomy writing tothem to kindly let me know whether they would attend future meetings to help in the conduct of business or whether I may bring the matter to the notice of Government. This actionhad to be taken by me seeing that the interests of the Trust stood tosuffer. Not wishing to give room for any complaints, I called for a special meeting as requested by them although it was open to me to have not done so as in censuring the Chairman they were in fact censuring the Government who appointed him. In my view, it is not competent for Government appointed committees to pass votes of censure on the Chairman or any member, as an elective body can do in respect of its elected members. I believe that the S.L.N.Committee's function is restricted to carrying on the administration of the Trust Funds to the best advantage of the Trust and not to pass votes of censure on any of its members.

The five gentlemen who ceased to attend the monthly meetings from the time of my disagreement with them are (1) Mr. N.Balakrishnaiya, (2) Mr. Y.Munisami Setti, (3) Mr. H. Naranappa, (4) Mr. P. Nagadasappa, (5) and Mr. M.Ramachandra Rao Scindia. Nos. 4 and 5 are also members of the Education Sub Committee. Mr.Scindia has not attended any meetings of the Education sub Committee except the first meeting about a year and a halfago

I now come to the special meeting. It is seen from the pro: that Mr. Y.Muni Setti who has all along opposed the dissentient members in respect of the reduction in the No. of H.S.Secs: was elected as Chairman. Subsequent to the meeting I heard from Mr. Muni Setti himself that although he protested that he would not accept the Chairmanship as he had come to oppose the proposition of no confidence, he was forced into the Presidential Chair by the other five members referred to above. He said that he was sorry that not being aware of the technicalities and conventions and being assured that there was no harm meant, he accepted the Chairmanship and that when he wanted to oppose the propositionthe other members said that he should not. I would draw kind attention to the last sentence in the pro: to the effect that the Chairman also approves of the propositions. I fail to understand the significance of such an addition. It is perhaps due to the anxiety of the other members to inveigle Mr. Muni Setti. In my experiende, I have never known cases where special emphasis is laid in the pro: on the approval of the Chairman. It looks therefore that Mr. Muni Setti's want of acquaintance with convention and procedure have exploited to overcome his opposition and silence him.

The reasons given by the five signatories is their letter asking for a spl.meeting are mainly (1) that the H.S. has affected the resources of the Charities mih and (2) that I was guilty of contravention of the rules for the admn. of the Charities in making a refce. to you against the resolution of the Com. As regards (1) I find that for the past 5 years (34-35 to 38-39) the income from the H.S. is Rs. 42,885, while the expenditure is Rs. 44,070. It will thus be seen that the H.S.is self supporting Further the sum of Rs 75 p.m. which the donor had set apart for the grant of schlorships to J.N.boys reading in other H.Schools is not beingspent ever since H.S.Classes were opened in the S.L.N.Instn. I have in my refce. No. 231 dated 16-2-39 given full reasons against the reduction in the no. of sections. There is hardly any force in the argument that the H.S. seriously affected the resourdes of the Trust. As regards the second point the charge of arbitrary action, want of courtesy etc., are all the consequence of my refce: to you re the reduction of sections in the H.S. I maintain I had ample justification for making the said fefce: and what is further Govt.have been pleased to agree with the view that I took.

The statement made about Mr. Puttaiya's resignation is not borne out by his letter (copy enclosed). If he had any reason to feel dissatisfied

with my attitude, he would certainly have stated so. On the other hand, the language used in the letter asking for a Spl: Meeting and in the resolutions is an indication of a determination on the part of signatories to show scant courtesy to the Chairman for no fault except disagreeing with them on a vital matter of principle in the best interests of the Institution. It is the Chairman's duty and responsibility, to see that the policy of the Trust is carried on in its best interests and on lines laid down by his Predecessors and approved by Govt. form time to time. If for reasons, thoughperfectly honourable the dissentient members take a view opposed to the Chairman's and pass a resolution (not entirely without protest from other members), it is open to the Chairman to refer the matter to Government who constitute the ultimate authority in deciding matters affecting the vital interests of the Trust. Nor is there anything in the Rules specifically disallowing discretion to the Chairman in the matter of referring highly controversial matters to Govt.

Ever since I assumed the Chairmanship, I have had to rectify many irregularities, curtail expenditure, prevent waste of funds and do much to place the Institution on a proper footing. All this do not seem to have influenced the 5 gentlemen concerned. I am exceedingly sorry that they should have assumed an attitude of non-cooperation.. It is unfortunate that they cannot tolerate honest differences of opinion: Anyhow, matters have come to a pass when a continued deadlock has to be expected hereafter. It is therefore a matter now for Govt. to be pleased to take immediate steps to safe-guard the interests of the Trust either by revising the constitution of the Com: or by such other action as Govt: may deem desirable.

I enclose copies of my letter dated 29-6-39 to Mr. Balakrishnaiya and 4 other members, their letter dated 12-7-39 asking me to convene a Spl. meeting, Mr. Puttaiya's letter of resignation and proceedings of the Spl. Meeting.

Yours sincerely,

Ind. C.S.K.

Six points raised by the Chairman of the S.I.M.Charities in his reports Nos. 36, 116 and 147 are briefly shown below :-

(1) As regards the disciplinary powers of the Chairman.

The Chairman is appointed by Government (not by the Committee of Management) as Executive Officer (Vide Rule 2 of Scheme appended to Government Order No.C3-82-14 Dated 14-6-34) and responsible for efficient discharge of duties (G.O.No.1255-8 Dis.190-36-2, dated 3/10th March 1937)

(2) As regards appointment of Sub Committees.

In Govt.Proceedings No.1255, Rule 8 under "Committee of Management" it is laid down that the Committee of Management can appoint Sub Committees with powers to co-opt non-members. Thus co-opting non-members is vested in Sub Committees.

Accordingly in 1938 and 1939 (Encls: 3 & 4 of my report No.116) only members of Sub Committees were appointed by Committee of Management leaving the appointment of non-members and Chairmen to the Sub Committees. But for the year 1940 the Committee of Management themselves contrary to the above appointed members of Sub Committees, their Chairmen and non-members depriving the Head Masters, Industrial Superintendent and Manager of the Office of the usual power of voting (Encl.10 of Report No.147) even though they were appointed as members and Secretaries.

(3) Absence of decorum in conducting meetings and submitting petitions.

Remarks on the Chairman, Ex-Chairman, Mr.C.S.Venkatesa Iyer, and two Head Masters (Page 6 para 3, Page 7 para 1 of my Report No.36). Enclosures 21, 30 and 39 of my report No.116

(4) That two false records had been made by the Chairman Mr.Balakrishnaiya's letter dated 5-7-40 (Encl.5 of report No.116)

A. 'Left to the Chairman' was recorded made by me on the decision of the Managing Committee in their meeting held on 26-5-40 regarding the transfer of the School Master Mr.Narayana Sastry. Mr.Balakrishnaiya's contention is that it was made without a quorum of 7 members, how people and members like

remark is will be plain from the following:-

(i) Mr.Balakrishnaiya was not present when this record was made.

(ii) There were seven members present.

(iii) Three other subjects were discussed and decided after this.

(iv) In accordance with this decision Mr.Nagadasappa brought Mr.Narayana Sastry to apologize to me and the Head Master (Page 5 of my report 36) as a result of which the order of dismissal was modified.

B. The Second charge of false entry against me is -

In submitting the Budget to the Deputy Commissioner I invited notice to two facts (i) Increment to teachers and (ii) that the Reserve should comprise of 10 % of the net income & not as the Committee of Management had decided 10% of gross income. I gave intimation of these two facts to the Committee of Management in their meeting dated 8-6-40. Mr.Balakrishnaiyae in the meeting dated 13-7-40 intimated that this should be deleted as no intimation had been given by me. As Mr.Tandoni R Rao and myself were against deletion and the majority for it, I recorded that it should be deleted. Again in the meeting dated 31-8-40 Mr.Balakrishnaiya contended that certain words h had been left out and he got it amended by adding that as no intimation had been given it should be deleted(Encl.6, 7 & 7 i of my report 116)

(5) The Committee of Management think that I should consult the Committee of Management before making a report to Government. This is opposed to Govt.Proceedings 1255 etc. Rule 9 under 'Committee of Management' where only correspondence is required to be placed before the Committee of Management (and not preliminary reports) (Enclo.8 to Report No.116)

(6) The Committee of Management allowed Mr.Narayana Sastry's dismissal record that was before it to be sent on to the Education Sub Committee at the instance of Mr.V. Balakrishnaiya. This is illegal as Sub Committees can only deal with matters entrusted to them (Govt.Pro.1255 Rule 2 under Committee of Management). Disciplinary matters are not entrusted to Sub Committees (Enclo.14 of Report 116).

II Member of Council,
Government of Mysore,
Bangalore.

Respected Sir,

We, the undersigned Members of the Jyotinagara Vysya Community most respectfully beg to bring the following matter for your kind consideration and favourable orders.

It came as a shock to all of us that an entire change of most of the members of the Jyotinagara Community on the Managing Commitee of the late Janopakari Doddanna Setty's S.L.N. Charities is made by the Government in their recent order of reconstitution of the Committee.

It is all the more regrettable that the name of the Life Trustee Yajaman Muniswami Setty who had been selected from our Community by the Donor himself has been left out in the new Committee of Management. He is a longstanding Member with full experience of all the details of the Charities and has time and desire to devote his full attention to the service of the Charities. - We cannot help expressing our great disappointment that the veteran members such as Messers M. Ramachandra Rao Sindhe and N.Balakrishniah who had taken so much interest and did much good in the cause are also left out in the new Managing Committee.

Anyhow we are not aware

aware of any reason why a Life Member should be removed from the Managing Committee of the said Charities . We most respectfully request you kind Sir, that Yajamana - Miniswami Setty may kindly be reinstated in his place as a Life Member representing our Community which was the main intention of theDonor.

We beg to remain,

Respected Sir.

Your most obedient servants.
